12. Personal Performance for the Week (Let us know how you feel about your progress) \*

Unfortunately I was not able to meet the full 10 hours this week as my wife and son will be taking an extended vacation to the Philippines to see her parents. I wanted to spend as much time with my family as I could manage without fully neglecting my responsibilities. I plan to make up for the lost time next week

13. Questions, Comments, Accomplishments for the Week? \*

This week I spent time learning more about React. Specifically about state and hooks. I completed my third React course in Pluralsight and have more of an understanding of the React library and JavaScript.
